

# CERTIFICATE III IN CARPENTRY CPC30220

CRICOS COURSE CODE 104870M

## COURSE OVERVIEW

Looking for a career in construction?

Site Institute delivers a hands-on, high quality practical course that will provide you with all the skills required to become a qualified tradesperson in Australia and overseas. You will have an engaging learning environment including workshops, practical activities and up-to-date tools and equipment. Learn core carpentry skills such as the construction of floors, walls, ceilings and roofing as well as internal joinery, installation of windows, doors, and cladding. During this course, you will also gain industry required competencies such as working safely at heights, and planning and organising work.

## JOB PROSPECTS

Carpenter - Residential, Formwork or Commercial

## DURATION

104 weeks

## INTAKES 2022

January 24, May 23, September 12

## ENTRY REQUIREMENTS

- Students must be at least 18 years old
- High School or Higher Education
- English language requirements: IELTS 5.5 (with no individual band less than 5.0), Upper Intermediate or Site Institute pre-admission test

## PERSONAL PROTECTIVE EQUIPMENT

To ensure your safety and the safety of others, personal protection equipment (PPE) is required whenever you are working in the workshop. We will make available safety glasses, hearing protection and a hard hat.

You will need to provide your own protective clothing and steel-capped safety boots or safety shoes which meet specific industry requirements. We are happy to advise you on purchase of these products.

## RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is available for each Unit of Competency, based on your relevant workplace experience, formal training, or other expertise. RPL is a process that assesses your competency—acquired through formal and informal learning—to determine if you meet the requirements for a unit of study.

When applying for this course, please indicate whether you intend to apply for RPL. Please note that if RPL or course credit is granted, the course length will be reduced, and a Confirmation of Enrolment (CoE) will be issued only for the reduced duration of the course.

## UNITS OF COMPETENCY (34)

Apply basic levelling procedures CPCCCM2006

Apply WHS requirements, policies, and procedures in the construction industry CPCCWHS2001

Carry out concreting to simple forms CPCCCO2013

Carry out general demolition of minor building structures CPCCCA3001

Carry out hand excavation CPCCCM2002

Carry out levelling operations CPCCOM3006

Carry out measurements and calculations CPCCOM1015

Carry out setting out CPCCCA3002

Conduct workplace communication CPCCOM1014

Construct and erect wall frames CPCCCA3004

Construct and install bulkheads CPCCCA3014

Construct ceiling frames CPCCCA3005

Construct eaves CPCCCA3008
